

As part of the admission process, AVTEC uses entrance assessments to effectively assess an applicant's skills, knowledge, and academic readiness for success as applied in training or the workforce. Below are the assessments and the scores required to qualify for the specific program listed. Please be aware that some options may incur a cost which is the responsibility of the applicant. Please contact the Admissions Office if you are unable to complete an assessment in person.

Students who hold an Associate Degree or higher level degree may provide college transcripts to substitute for the Entrance Assessment requirement.
