Spend two and a half days at the Alaska Vocational Technical Center (AVTEC) in Seward, Alaska fully immersed in a CTE field of practice alongside your postsecondary CTE counterparts. This highly customizable, flexibly scheduled professional development opportunity will allow you to observe a postsecondary program in your area, develop skills in your content area and create plans to use in your own classroom. Visiting teachers also take a campus tour to see other programs, gaining knowledge to share with students and colleagues.

This professional development program for CTE teachers is sponsored by Perkins Post-Secondary grant dollars.

Waivers include tuition, room and board in dorms, course material, and two professional development Continuing Education Units (CEUs) approved by the Department of Education and Early Development for certification renewal.

Practicum visit & distance combination: some self-paced online courses, facilitated collaboration with Alaska CTE teachers plus a 2.5-day practicum at AVTEC. Each 2.5-day practicum experience is customized and flexibly scheduled between September and April.
