

Introduction to Nautical Skills Materials List

Updated: 1/11/22

Thanks for your interest in the AVTEC Nautical Skills class! Every student needs a mentor, and mentors will need to take charge of getting these supplies for their student(s). Daily access to a reliable internet connection equipped with a **microphone/speakers** (or headset mic), **webcam**, printer and these materials are all required for a student to complete the course. If your school/institution does not already have these materials on hand, please make certain someone orders them **directly from a vendor** (they do not come from AVTEC). Materials can be reused from year to year if in good condition, as they are durable. **Please make certain each student has their OWN set of materials** that they can bring home or while traveling. Students CANNOT complete their homework without these tools.

1. Use the recommended vendor **Seabreeze Books and Charts** for easy ordering

- First Step: Call or email Seabreeze to get your order started.
- **Phone: 619-223-8989; bridge@seabreezebooks.net;**
- Price (includes shipping cost):
 - AVTEC Nautical Science Package-1 student: **\$191.60**

OR

2. Order/Purchase **all** these items separately from Seabreeze or a vendor of your choice.

Many of these items can be found online at amazon.com

For each student (can NOT be shared) order:	Approximate Price	Item # at Seabreeze
